Disclaimer: This list provides directory information on commercial firms that offer hazardous waste services. The Montana Department of Environmental Quality does not necessarily endorse any listed companies, and a company's absence from this list does not imply prejudice or impropriety. We recommend that a prospective customer contact a number of companies to obtain the best service and price. Listed companies reserve the right to evaluate the extent of their services on a case by case basis. This list is subject to change without notice. State law prohibits the use of this directory as a mailing list.
