

**Montana Department of Environmental Quality
Waste and Underground Tank Management Bureau
Underground Storage Tank - Leak Prevention Program**

Montana UST Facility Operating Permit Status

NOTE: Montana law prohibits use of this information as a mailing list for unsolicited mass mailings, house calls or distributions or telephone calls. Section 2-6-109, MCA "Prohibition on distribution of mailing lists - - exceptions - - penalty," provides in relevant part as follows:

(1)(b) a list of persons prepared by the agency may not be used as a mailing list except by the agency or another agency without first securing the permission of those on the list.

(9) a person violating the provisions of subsection (1)(b) is guilty of a misdemeanor.

Purple Underlined Dates indicate that this facility is within the 90 day timeframe for its compliance inspection.

Indian Owned facilities on Indian Lands have been omitted from this list, these facilities are regulated by the EPA.
